Upcoming Food and Clothing Drive

March is Minnesota Food Share Month. Christ Church is participating by collecting non-perishable foods and cash donations for Community Emergency Service. This important neighborhood resource is counting on us to help stock its shelves. This year we are adding a clothes drive. All sorts of clean, used clothing in reasonably good shape is welcome. Clothing will be donated to St. Vincent De Paul. Shoes, boots, hats, gloves, feather boas, pants, skirts, dresses, furs, your old haute couture, shirts, coats—you wore it, it's appropriate for donation.

Wheelbarrows will be available for the food, lawn bags will be available for clothing. Let's fill them up!

Safe House Updates

This year we are continuing to provide monthly meals to Safe House, the Lutheran Social Service shelter for youth experiencing homelessness. These are meals for eight young adults, prepared and delivered at around 7:00 pm to an address in St. Paul not far from Christ Church. We welcome the help of any and all volunteers—our next meal is on 10 March. The sign-up sheet is on the mission committee bulletin board in the Atrium, or contact the church office for available dates.

We have also learned of a new volunteer opportunity at Safe House. They now have volunteers involved in direct service. If you would like to volunteer for a shift from 8:00 to 11:00 pm, contact Michael Jefferis (michael.jefferis@gmail.com) or Pastor Haaland (ehaaland@christchurchluth.org) and we will put you in touch with the volunteer coordinator. This would be a great opportunity to both help and learn.

New Bremen, Minnesota, summer 1961 . . .

Thirteen-year-old Frank Drum stands at the door of his young manhood, trying to understand a world that seems to be falling apart around him. Thinking back on it forty years later, he will write, It was a summer in which death, in visitation, assumed many forms. Accident. Nature. Suicide. Murder. You might think I remember that summer as tragic and I do but not completely so. My father used to quote the Greek playwright Aeschylus. "He who learns must suffer. And even in our sleep pain, which cannot forget, falls drop by drop upon the heart, until, in our own despair, against our will, comes wisdom through the awful grace of God." What Frank remembers most from that time, however, is a table grace spoken by his younger brother, of which he says: "That was it. That was all of it. A grace so ordinary there was no reason at all to remember it. Yet I have never across the forty years since it was spoken forgotten a single word."

Children planting seeds on Sunday 28 February—
a Sermon on the Steps Project.

From the Church Council

February Council Meeting

Pastor Carlson led devotions, using the devotional booklet for Lent that has been made available to members of the congregation called *Bearing Fruit*.

We heard a proposal that the church consider hosting a charter school for the 2016–2017 school year. This suggestion is paired with a plan to use the revenue this school would create, as much as \$100,000, to engage a part time parish administrator. We have been aware for some time now that the growth of the congregation is stressing our normal systems of operation. This is the case in the area of building use management, communications, time spent by pastoral staff on tasks not specifically pastoral, and increasing demands on volunteer leadership in the congregation. Three years ago the staffing task force, whose recommendations led to calling an associate pastor, also acknowledged that added staff in parish administration was a real need in the near future. The request by this school to use our space seems like an opportunity to meet this need in the life of our congregation. We assembled a task force (Pat Baehler, Luann Skrivseth, and Chad Blihovde) to gather more information. If the result is promising, we will seek input from the congregation and make a decision. This contract with the Phillips School would be for one year.

We approved a request from the weaving group for funds toward creating a set of green paraments for use in worship. We believe the money in certain trust funds would be appropriately applied to this project.

We heard numerous reports from pastors, committees, and task forces. New projects at Safe House using Second Century Capital Campaign funds are underway. The project management task force is soliciting bids for work on the roof this summer. The property committee plans to purchase a new refrigerator/freezer unit for the kitchen to replace a unit that no longer functions. The preservation committee has decided that the best approach for the font is to replace the bowl with a new unit.

The council also spent the morning of Saturday 20 February 20 in retreat at the church. We spent time with our memories of church and how those help defined what we value in church. Then we discussed leadership and talked about budgeting philosophy. It was a good and relaxing time together. We had the opportunity for conversations that aren't really possible during monthly meetings when business is at hand.

Fellowship Dinner

Here's the group that gathered for a fellowship dinner on 20 February at the home of John Schmidt and Bob Anderson. It was a delightful evening. Plan on joining us for the next round of fellowship dinners.

Music for a Masterpiece

Friends of Christ Church Lutheran Concert Raises over \$22,000 for Second Century Campaign

Tuesday 2 February was an exceptionally snowy night in Minneapolis. Heavy clouds covered the skies and dropped over six inches of snow on the Longfellow neighborhood. Inside Christ Church Lutheran, however, we were warm and could see all the stars.

The Minnesota Orchestra's conductor, Osmo Vänskä, laid down his baton and picked up his clarinet for an evening of chamber music. He was joined by fellow Minnesota Orchestra musicians, concertmaster Erin Keefe and principal cellist Anthony Ross. The Saint Paul Chamber Orchestra's concertmaster Steven Copes and principal violist Maiya Papach also appeared for a program of Prokofiev, Crusell, and Brahms. About 300 listeners had braved the snow and wind to witness this great evening.

This great evening was a benefit for Christ Church Lutheran's Second Century campaign. With the help of Thrivent Financial, MacDonald & Mack Architects, Watson-Forsberg Contractors, and an anonymous friend of Christ Church Lutheran, the Friends were able to cover the costs of the concert. That meant that every dollar of ticket sales, which topped \$22,000, was dedicated to the campaign.

The result was a magical evening of chamber music. A feature article on Tuesday 2 February in the *Star Tribune* highlighted the concert, the Second Century campaign, and the structural needs of our building. Minnesota Public Radio was our media sponsor, promoting the concert and airing interview bits from the players in the days leading up to the event. The result was more than just dollars raised. It raised awareness of our church and its place in architectural history.

It was indeed a glorious night of music for our masterpiece. Thanks are due to the task force members who planned the evening and to all who contributed to making it such an enormous success.

Bearing Fruit: Sunday—

Keeping the Feast

Gertrud Mueller Nelson

In addition to her workshop on Saturday, March 5 (The Home and What's Holy: Nourishing Faith in the Home), Gertrud Mueller Nelson will also be leading that weekend's Sunday Forum. She will teach about what is perhaps the most central Christian practice of all—the Sunday gathering. Each week, on the day of Christ's resurrection, Christians throughout the world gather together to share the Gospel word, to pray for the world, to share in Christ's meal, and to be sent out in love and hope. Come and explore the practices and meaning of "Sunday" with noted artist, author and teacher, Gertrud Mueller Nelson.

Bearing Fruit: Praying Grace-fully

Samuel Rahberg

From biblical times through the modern day, Christians have

asserted that the practice of prayer is essential to the life of discipleship. Unfortunately, prayer can also become a source of shame and inadequacy. Who among us doesn't feel that our prayer life isn't what it should be? There is practical wisdom to be found in Scripture, a renewed sense of grace, and even the unique example of Benedictine prayer and community. Join Sam Rahberg, a spiritual director and member of Christ Lutheran on Capitol Hill, to explore some of these insights and practices for praying grace-fully and how they relate to you.
