

Welcome to the Light

# Welcoming Our New Pipe Organ

Cantors, ministers, and choir assembled in the balcony around the organ console as worship began Sunday, April 22, with a Blessing of the Christ Church Organ. Immediately following, with great anticipation, a chorale prelude by Johann Sebastian Bach, "Praise to the Lord, the Almighty," filled the sanctuary with beautiful sounds of celebration. Then the assembly of 168 joined voices with the new organ for the processional hymn of the same name.

## Organ Celebration

Mark your calendar for a very special day!

## Caring for the Grounds—Then . . .

Thank you to Gary Wahlstrom and the weekend snow removal crew, working through April 15 after the great blizzard, and to custodian Chuck Merrell who finished up the next day.

## . . . and Now:

### Need Volunteers for Lawn Care

We are looking for people to help out a couple of hours a week with lawn care and general landscape maintenance at church.

Duties include lawn mowing and edge trimming on a weekly basis, lawn raking (spring and fall), fertilizing, shrub trimming, and other projects as they come up.

Please contact Gary Wahlstrom if you are able to help. He can be reached at garywahlstrom@yahoo.com or by phone/text at 612.250.7540.

Gary has generously done this for the past several years; let's give him some help!

## From the Church Council

### Update for May

Hilary Gebauer opened the April meeting by leading a mindfulness exercise to center our breathing, recognize our physical presences, and call us toward the Council's work at hand. She reflected upon the importance of giving daily thanks to God, and she closed by teaching us her family's table prayer.

Matthew Courtney provided an update on the repair of the sanctuary roof. A call for bids was published in the April 9 issue of the State of Minnesota Register. Due to the April blizzard, the bidding schedule has been extended by one week, with final bids due by May 25. The Project Management Task Force (PMTF), in coordination with our consulting architect, Angela Wolf Scott of MacDonald and Mack Architects, will review bids and, if necessary, interview firms to make a final selection. Work will begin this summer, likely in June, and be completed by September. This restoration work is financed in part with grant funds provided by the State of Minnesota from the Arts and Cultural Heritage Fund through the Minnesota Historical Society; the remainder of support is made by the congregation's generous contributions to the Second Century Campaign. At the December 2017 Congregation meeting, the congregation approved up to \$21,000 of Second Century funds to support architectural consultant fees. Council approved a contract with MacDonald and Mack for a not-to-exceed amount of \$20,655 to consult on the roof. Council expressed gratitude for the congregation's remarkable gifts. The restoration of the sanctuary roof will conclude the third phase of repairing Christ Church Lutheran's structural waterproofing, including the Education Building roof (2016) and the courtyard's drainage and tunnels (2017). PMTF, chaired by Rita Schoenike, provides key management of these projects.

Council approved a recommendation from the Mission Committee to sponsor a family through Lutheran Social Service of Minnesota's refugee program. We voted to contribute up to \$1,000 from the Anderson Legacy trust fund and up to \$2,500 from the Refugee Support trust fund, which would be the combined first installment of an approximate \$6,000-\$8,000 total commitment. Council concurred with Mission Committee that this would be an important opportunity to build upon last year's positive experiences of sponsoring Paul and Ariat's family. Mission Committee will recruit 4 or 5 volunteers to participate in a three-hour LSS training and raise the remaining funds, estimated to be \$4,000.

The Staffing Task Force provided an update. Council discussed the continued need for staffing support, volunteer coordination, communications, building use coordination, and children's ministry. Council encouraged the task force to investigate opportunities to support increased staffing capacity, including fundraising. We received regular reports and ended with the Lord's Prayer.

### Treasurer's Report

Thank you for your faithful, generous giving to the ministry and mission of Christ Church! As of the end of March, the difference between the amount budgeted and actually received for member giving is about -\$6,300. After adjusting for early giving and for transfers pending, we have a deficit in income less expenses of just under \$5,300. It is likely that these numbers will improve a bit during April due to Easter and other factors.

## Courier Closeup – Jeff Adams, Denise Morelock, and Hans Adams

This month *Closeup* features Denise Morelock, Jeff Adams and Hans Adams, who have been members of Christ Church Lutheran for five years.

### When did you start attending Christ Church Lutheran and what brought you here?

When Hans was two and a half we wanted to have him baptized. Jeff knew about Christ Church Lutheran when we moved into the neighborhood, having studied historic preservation at the University of Minnesota. Since it was a block from our house, it made sense to check it out. Jeff went first and was impressed by how friendly and welcoming everyone was. When Hans and Denise went the following week, we were hooked.

### What about our church keeps you coming back?

We feel so blessed to be a part of this warm and supportive community. Between the actual church service, fellowship, children's programming and forum, we find great joy investing a chunk of each Sunday at Christ Church Lutheran. What's more, for our very social only child, Sundays provide opportunities for him play with friends, nurture meaningful relationships with elders, and develop a solid Christian foundation that will serve him throughout his life.

### Do you have any stories to tell about your time here or about events or activities you have been involved in?

We were amazed by Pastor Carlson's incredible talent for remembering every face and name of people who enter Christ Church—which she did with us! Mary Bode was a household name early on, welcoming us, connecting us with others in the congregation, and the goings-on at Christ Church Lutheran. A

personal favorite was the time Pastor Carlson humored Denise (and her Roman Catholic upbringing) by holding a special meeting with her and Hans to explain to him the importance of communion and the sharing of the bread and wine. We had a lovely orientation in her office one day after school with bread, wine, chalice, prayers, you name it. It was very special for Hans to experience this one-on-one time with Pastor Carlson—and most gracious of her to invite us.

### How does Christ Church Lutheran help you live and share your faith?

Sunday services, children's programming, play events, forums, Wednesday evening suppers, service gatherings, Sunday fellowship, and opportunities to help and share our many blessings with others are all ways that Christ Church Lutheran helps us live, share and grow in our faith.

### What do you do when you're not in church?

We're doing life. Work, school and after-school Spanish/STEM/piano lessons keep us busy. On weekends we enjoy spending time with friends and family, traveling, getting outdoors, gardening, reading, doing Legos and art projects, and playing games. Making slime and building forts are popular pastimes these days in our house.

### What can you tell us about yourself that we may not have known?

We have two additional family members, an umbrella cockatoo named Macchiato and a guinea pig named Figg.

*"Closeup" is a Courier feature to help us get better acquainted with our fellow members. If you would like to share your story in "Closeup," call Donna Lindberg at 651.552.8499.*

## Welcome New Members Bethany Mueller and Stamatis Zeris

Stamatis, Bethany, and Photios live in the Kingfield neighborhood in Minneapolis. Stamatis and Bethany met in Seattle, while Bethany was completing a post-Master of Social Work fellowship at the Seattle VA and Stamatis was a resident physician at the University of Washington. Stamatis is a psychiatrist at Hennepin County Medical Center and Bethany is a clinical social worker at the Minneapolis VA. Their son Photios was born in October 2016 and baptized at Christ Church on April 22, 2018. Stamatis is from northern New Jersey, the son of Greek immigrants. Bethany is from Little Falls, Minnesota. They moved to Minneapolis in 2014 after Stamatis finished his residency, to be closer to their families and enjoy the good life in Minnesota. Stamatis grew up Greek Orthodox and Bethany was raised Lutheran. They appreciate the liturgy at Christ Church and have felt very welcome. Bethany worked with Pastor Erik Haaland and Daniel Holmgren at Holden Village for a year and a half, and is happy to be worshipping

with them again. Stamatis and Bethany enjoy time with their goldendoodle, playing the banjo, bicycling, cross country skiing, cooking, baking, and traveling. They are happy to find a spiritual home in Christ Church for their family. They were welcomed during worship the Sunday after Photios's baptism—on April 29, the Fifth Sunday of Easter. Welcome to Christ Church!

## May Forum Schedule

*Except as noted, forums begin at 11:15 a.m. in the Kretzmann Room on the lower level of the education building. Listen for the bell to ring as a reminder the forum is beginning.*

### May 6 (Sixth Sunday of Easter)

#### ***Intergenerational Coffee Time***

On this first weekend in May, come and dance around the Maypole! All ages are invited. Then there's Sunday school for children at 11:05, and more coffee fellowship for the rest.

### May 13 (Seventh Sunday of Easter)

#### ***Continuing the Conversation***

##### **Racial Justice Task Force**

At the forum on April 29, the Racial Justice Task Force began a conversation about how we as a community might grow in our ability to stand against racism and racial injustice in our society. However, our program didn't leave time for conversation! This forum will provide an opportunity for us to hear and learn from each other.

### May 20 (Day of Pentecost)

#### ***Exploring the New Christ Church Organ***

##### **Dr. Gregory Peterson**

Professor Peterson served as our congregation's consultant for our new organ, and this afternoon at 2:00 will play its inaugural recital. Before that, though, come to the sanctuary to learn about the organ's parts and its capabilities, from one who has taught organ for many years at Luther College in Decorah, Iowa.

### May 28 (The Holy Trinity)

#### ***Bringing Nature In: Seasonal Flowers at Christ Church Lutheran***

##### **Ann Davis**

During this Easter season our atrium has been graced by a marvelous exhibition of floral photography. (See page 6.) After coffee hour, join Ann Davis for an informal presentation in the atrium.

"Eero Saarinen: The Architect Who Saw the Future", a documentary, was shown at Christ Church on Tuesday, April 24. The presence of Eric Saarinen, son of Eero and grandson of Eliel, added to the special event. As cinematographer of this film, Eric felt a calling to be present for the showing at Christ Church. "What better place to show my film than in my father's building?" This event was cohosted by Friends of Christ Church and DOCOMOMO (DOCumenting and CONserving the MODern MOVement). If you missed this thoughtful and educational film, it is available through Amazon.

## Cantor Robert Farlee Receives Award

On April 11, 2018, the Institute of Liturgical Studies was pleased to honor the Rev. Robert Buckley Farlee as the recipient of the Christus Rex Award. Beginning in 2009, the Institute's Advisory Council annually recognizes an individual who has made significant contributions to Lutheran liturgical scholarship and renewal.

The Institute is held annually on the campus of Valparaiso University in Valparaiso, Indiana. Bob has attended this Institute for decades and served on its Advisory Council for eight years. During his time on the council, he was especially involved with worship planning and engraving print worship materials for the conference. His musical compositions have been a regular feature of the Institute's worship services over the years. This year's Institute theme, "Washed in Water: How Baptism Forms Us," presented a perfect opportunity to highlight BERGLUND, the tune Bob composed for "O Blessed Spring."

In addition, the Institute Schola featured a more recent composition, "Come to Me" (premiered last summer at Christ Church) as part of the closing Eucharist service. Many of the liturgical resources he edited such as the recently published *Pray, Praise and Give Thanks* by Gail Ramshaw (Augsburg Fortress, 2017) have been part of the prayers of this gathering.

As the church and this Institute has been richly blessed by his many gifts as composer, cantor, pastor, writer, and editor, it was a highlight of this year's event to present the Christus Rex award to Bob during a banquet that regularly concludes this Institute. A thoughtful introduction by friend and colleague Anne Krentz Organ and Bob's own gracious words of acceptance were certainly a fitting culmination to this seventieth gathering of the Institute.

The mission of the Institute of Liturgical Studies is to renew the church's worship by nurturing and forming those who lead liturgy and song. Dedicated to being a regular source of renewal and re-creation, the Institute seeks, through worship, music, and study, to provide inspiration and serious reflection for those who serve in the church. While the Institute finds its historical roots in the Lutheran tradition, it embraces the wider evangelical catholic tradition and celebrates the heritage of the earliest Christian communities, the Reformation era, and the many and varied faith communities of the present day.

—Rev. Brian T. Johnson, co-director of the Institute of Liturgical Studies

## From the Arts Committee

“Bringing Nature In: Seasonal Flowers at Christ Church Lutheran,” the current exhibit in the education atrium, is a five-year retrospective representing seasonal arrangements for the altar. Ann Davis and her husband, Bob, members of Christ Church, have provided a thoughtful review through the photographs of the blending of light, nature, and form. Quotes and Bible verses underscore the seasonal depictions.

Ann says plants from God’s magnificent garden have fascinated her since she was a small girl growing up in southwestern Wisconsin, where she picked bouquets of weeds, wild flowers and grains to grace the home table as well as her tiny country church. Little did she know what an accepted concept in floral design it would become!

She took the exhibit photos to document arrangements that bring nature into our chancel where they complement the simple architecture created from natural materials of Midwestern brick and stone. No editing of the photos was done. They are simply quick, snapshot glimpses of simple flowers and branches that bring God’s garden in.

In addition to her weekly arrangements for our altar, which enrich and beautify our worship, Ann serves on the Altar Guild; is a retired school speech therapist; and serves as a docent at MIA and for the Friends of Christ Church Lutheran. She has participated in our Weaving Group and is a member of the Christ Church Arts Committee. We are grateful to Ann for sharing her talents with us.

### Do you know the history of the Christ Church Endowment Fund?

The Christ Church Endowment was established in 1984. An Endowment Fund Committee had been recently established to review the need for a separate fund to “provide investment earnings on a continuing basis for the benefit of the Congregation’s ministries.” The conclusion of the committee was that an Endowment was indeed the best way to support the congregation. Among the committee’s recommendations were:

- that the principal of the Endowment Funds not be available to be spent except for a dire emergency;
- that interest from the Fund be eligible to be used for special ministries and also be available for normal operations of the church if needed;
- that an Endowment Committee be established to operate the Fund;
- and that the Council have the authority to decide on what the interest from the Fund be spent on.

Thus, the Endowment Fund began and over the last 34 years the interest earned from the investments has continued to support the congregation’s ministries in many exciting ways. In the coming months, check the Courier for great stories on how the Endowment Fund has been put to use!

## B.A.S.I.C. (Brothers and Sisters in Christ)

The next B.A.S.I.C. (formerly Retirees) meeting will be on Wednesday, May 30th, 11:00 a.m. Please bring a dish to share to the Concordia Room for our Spring Fling Potluck. Check the Sunday bulletins for further information. Everyone is welcome!

### An invitation from Beacon Interfaith Housing Great River Landing Groundbreaking

Come celebrate the homes you’ve helped to make possible!

Event Date: Thursday, May 3, 2018, 5:30 to 7:00 p.m.

Event Location: Great River Landing  
813 North 5th St  
Minneapolis, MN 55401

Great River Landing will be an apartment building with on-site employment and support programs for up to 72 adults who have served their sentences and are returning to the community to find work, housing and reconnect with family. Most of the tenants will be fathers, many African-American. Collaborating congregations Westminster Presbyterian Church and Plymouth Congregational Church have taken the lead in this partnership with Better Futures Minnesota, an experienced provider of services and support to people facing these challenges. Christ Church Lutheran has committed \$10,000 to this project from our Second Century Campaign.

#### *Why is this housing needed?*

People with a history of incarceration face enormous barriers when they return to the community: because they typically lack work history and rental history, they’re often locked out of jobs and housing, even when they are trying hard to do all the right things. At Great River Landing, the combination of stable housing, job opportunities and best practices of support will result in the disruption of cycles of generational poverty, homelessness and incarceration.

There will be a brief outdoor program at 6:00 p.m. Please dress for the weather! Carpooling and public transportation are strongly encouraged as parking options are limited. The day before the event Beacon will send an email to everyone registered with detailed parking information.

RSVP to get important event day details and parking information here: <http://www.beaconinterfaith.org/GRL-groundbreaking>

## Children's Ministry at Christ Church Lutheran—May 2018

### Saying Goodbye to Maria

Maria Markman will be leaving Christ Church this summer and starting her vicarage year at Emmanuel Lutheran Church in La Habra, California. Her journey in faith started at a young age. Born in Minneapolis, Maria grew up in Faribault, spending all of her formative years there.

Maria's life revolved around Our Savior's Lutheran Church in Faribault. When she was 11 years old, her pastor asked her what she wanted to do when she grew up. "I'm going to be on Broadway!" was her enthusiastic reply. Pastor Steve Delzer predicted that she would be a pastor—a prophecy, as it turns out!

As Maria grew older, she was influenced by a female associate pastor at her church, Joanna Mitchell. She started teaching Sunday school and went on mission trips. When she stopped to think about it, everything she really loved was at church.

Another important part of her life has been theater. After high school, Maria auditioned for a touring music and education group called "The Young Americans" and was accepted. She toured around the world with them for three-and-a-half years, going to Europe, Japan, and all around the United States.

Back home in Faribault for a while, her pastor let her tag along to weekly study where pastors meet over coffee and discuss the texts/readings for the week. Maria realized, just as she had when she was younger, that everything that she loved—studying the Bible, mission trips, working with kids and families, singing, and speaking in public—was related to church. Her strengths really fit being a pastor.

She attended Concordia University, St. Paul, where she connected with Kay Madson, who inquired if anyone would be interested in serving at Christ Church in the Children's Ministry. After college, she enrolled at Luther Seminary to train as a pastor. Christ Church was immediately a great fit for her. She and Pastor Carlson had much in common. Maria had the opportunity to help establish a new children's program from the ground up. She was surprised that although we have a more traditional service, people have been really open to trying new things. It was intriguing to write the curriculum. She was really taken with the children at Christ Church, how they hopped right into the Bible stories, and asked thoughtful questions. Maria hopes that Christ Church will continue to grow the Children's Ministry, changing and adjusting as the children get older.

Although ready for her next adventure in California, she'll really miss Christ Church. "The people are the best part! I am so grateful for the experience I got at Christ Church." We will miss Maria terribly, the enthusiasm and joy she brought to the Children's Ministry and Christ Church at large. Watch for an upcoming date to say Godspeed and farewell to Maria.

### The Green Growing Days of Summer: Quiet Space Continues!

One of the most important aspects of life together at Christ Church is worship time. We want to help our children and our community to live into this as fully as possible. The Quiet Space in the back of the sanctuary in the chapel is for children to be accompanied by their parent or guardian. There are quiet reflective activities for children to do there. If you are a guardian in the quiet space we ask for your help in welcoming new families to Christ Church and helping the children worship together in this new, quiet, and active way. After May, our regular after-church Sunday school programming will take a break, but the quiet space will continue!

If you have any questions, concerns, or suggestions, please contact Maria [mmarkman001@luthersem.edu](mailto:mmarkman001@luthersem.edu).
